

Torch Award Nominations

Nominate a business or organization you trust!

Does a company or organization you do business with really shine? If you love its practices, then nominate it for the Better Business Bureau Torch Awards for Marketplace Ethics. BBB serving Louisville, Southern Indiana and Western Kentucky hosts its annual Torch Awards program to recognize and honor those companies and organizations whose business practices and related activities in the community exemplify the BBB's mission of advancing marketplace trust.

Anyone can nominate a company or non-profit. *Businesses and organizations CAN nominate themselves.* Businesses are awarded in up to four categories based on the number of employees, and organizations are awarded in up to two categories based on total revenues. Each nominated company or organization is sent an entry packet, outlining information to be submitted. An entry **MUST** be submitted to be considered for the award.
